## **BLOOMFIELD TOWNSHIP PUBLIC LIBRARY TO HOST GENEALOGY ASSISTANCE PROVIDED BY LOCAL DAR AND SAR GENEALOGISTS**

After a two-year absence, Bloomfield Township Public Library is pleased to welcome back Piety Hill Chapter of the Daughters of the American Revolution to offer Genealogy Assistance to the public from 1-3 pm on Saturday October 15. They will be assisted by the Oaks Chapter of the Sons of the American Revolution. Please bring the following items of your family history that you know: names, birth, marriage, and death dates including the places where these events occurred. Bring your laptop (optional), a notebook and a pen. Volunteer genealogists from DAR and SAR will provide 20 minutes of consultation, guidance, and assistance regarding your lineage questions. Consultation time is dependent upon the number of attendees.

Do you have a Revolutionary Patriot in your Family Tree? Patriots are not only soldiers that fought in the War of the American Revolution but anyone who contributed to the cause of American freedom with civil and/or patriotic service. Nearly 250 years ago, American patriots fought and sacrificed for the freedoms we enjoy today. Perhaps you have a Patriot in your tree and would be interested in joining the DAR or SAR.

The National Society Daughters of the American Revolution (DAR) was founded in 1890 as a nonprofit, nonpolitical volunteer women's service organization dedicated to promoting historic preservation, education, and patriotism. Its female members are descended from the patriots who won American independence during the Revolutionary War. Members join to honor their heritage as well as make a difference in their communities across the country and the world. With more than 190,000 members in approximately 3,000 chapters worldwide, DAR is one of the world's largest and most active service organizations.
